

TOGETHER WE CAN REDUCE HATE

LEARN TO CHALLENGE AND REDUCE THE EXTREME RIGHT-WING VIA AN ONLINE TRAINING SESSION

The extreme right wing is growing online and off. To reduce hate, we believe the best way is education, but we need to upskill people to understand what extremism is, how people get involved and where to signpost people to for support. If you want to learn more about how the ERW operates and ways to challenge it, why not join us online at either of the dates below.

8TH NOVEMBER 2023 - 1PM
6TH MARCH 2024 - 10 AM

Both sessions are 2 hours long via Microsoft Teams
