PREVENT IN PRACTICE: Face to Face Blackpool

A workshop for designated safeguarding leads.

The Prevent in practice workshop is designed to help safeguarding leads gain a deeper understanding into the risk factors and behaviours associated with Prevent concerns, the Prevent referral process and the Channel programme. The workshop will allow participants to discuss and work through real life anonymised case studies and take part in a Q&A with the facilitators. By the end we hope that practitioners will feel confident about dealing with prevent related concerns and will be able to support colleagues to do the same.
